

**WORK SESSION MINUTES
RARITAN & MILLSTONE RIVERS FLOOD CONTROL COMMISSION
JUNE 28, 2017**

Municipalities Present: Hillsborough, Manville, Somerset County

Municipalities Absent: Bridgewater, Franklin, Millstone, Montgomery, Raritan, Rocky Hill, Somerville and South Bound Brook

As a result of there not being a quorum, an official Work Session was not held.

The present members discussed the following:

- Did not receive Grant from American Water (Apply for 2018 Grant in December)
- Apply for DEP Mitigation Grant in January 2018
- No response from the Army Corps of Engineers regarding September meeting
- Need to contact Federal Representatives for funding
- Ranking Repetitive Loss Properties in County & Look for Funding for Projects
- Working with Rutgers, Municipal OEMS, FEMA & The Nature Conservatory on small and medium grant programs
- Township Best Practices in regards to Stormwater and Drywells
- Rain Garden Programs
- Army Corps of Engineers/Somerset County – FINDERNE FARMS
- Rutgers – List of Grants

Chairman Jurewicz announced he was moving to Hillsborough shortly and resigned from the Commission effective July 1, 2017.

Respectfully submitted,

Ann Marie McCarthy
Recording Secretary
